## Bill Reid Gallery of Northwest Coast Art

Named after the acclaimed Haida artist Bill Reid (1920 – 1998), who would have been 100 years old in 2020, this public gallery is nestled in the heart of downtown Vancouver just a short walk from major hotels, the Vancouver Convention Centre and public transit. Guests are surrounded by the stunning gold jewelry and spectacular sculptures by Bill Reid and awed by the towering totem pole by Chief James Hart of Haida Gwaii, in addition to special exhibitions of contemporary Indigenous Art of the Northwest Coast.

**In collaboration with Indigenous Chefs across the province, Chef Dino Renaerts has created select canapés that utilize traditional Indigenous ingredients from the sea, the forest, and the plains – in innovative ways.**

## **Additional Services:**

### **Room Set Up/Décor Installation:**

We have extensive experience coordinating weddings, galas, corporate and social events, so our team can assist with installation of décor, flipping rooms, or manning experiential stations. We can even help you with details like packaging wedding favours or creating gift baskets for out-of-town guests. One of our experienced Event Planners would be pleased to discuss where we can support your special day.

### **Coat Check:**

Adding coat check services is a detail guests appreciate and really elevates your event. Costs start at only \$150 for 50 guests. We are proud to mainly employ university students and high school seniors in this department. It's an excellent way to build their resumé and to introduce them to the event industry.

### **Florals:**

We work with a number of florists in the lower mainland and can coordinate these logistics as part of your event timeline. We charge a 10% administration fee to coordinate the logistics. If you have contracted Wedding Planning services, this would be included in that cost.

### **Music & Entertainment:**

We have relationships with numerous booking agents and talented artists across the Lower Mainland. We can assist you with booking this as part of our Wedding Planning contract or can manage their schedule and rider day-of as your Onsite Coordinator.

### **Transportation Logistics:**

We have extensive experience organizing shuttles, busses, water taxis, and even barges for events outside of the city core. We charge a 10% administration fee to coordinate all the details. If you have contracted Wedding Planning services, this would be included in that cost.

### **Wedding Planner:**

We have over 20 years' experience coordinating weddings, galas, corporate and social events. We work with you to define your budget, articulate your vision, and then to execute it flawlessly. Packages start at \$1500.

### **Onsite Coordinator:**

You have organized all the details and you are just looking for someone to take your clipboard to manage the day. Rates start at \$750 and include an in-person meeting 3 days in advance to review timelines and vendors.

## **Booking Policies**

### **Service Staff Rates:**

All our service staff have extensive experience in hotels, restaurants, or premium event companies. We do not use staffing agencies. Our staff uniform is a black shirt or blouse, black pants or skirt, black service apron, and a bon vivant nametag. For more casual or outdoor events, the option of a black bon vivant T-shirt with khaki slacks or capris is available.

*\*A Supervisor or Lead Server is required at every event where we provide staffing.*

All service labour charges are calculated hourly, with a minimum 4 hours per employee. Overtime is charged at 1.5 times the hourly rate after an 8-hour shift. Charges for labour are double on Statutory Holidays. The Supervisor or Lead Server and Culinary staff are paid from the time they arrive at the shop to load the van, until the time they arrive back at the shop and unload the van. Locations outside of Vancouver or the Northshore will incur travel time, ferry fees, or fuel service charges. Parking is required for our catering vehicles and will be charged to the client if not available onsite. Your Event Planner will provide that information in the quote.

### **Rentals:**

We reserve the right to coordinate all rentals required for our food and beverage service. Unlike other catering companies, we do NOT charge a markup (or 'insurance' as our competitors call it) on these rentals when through our chosen service partner. As the client, you are responsible for all costs associated to broken, damaged, or missing rentals, including replacement costs, related to your event. For other outside providers such as florists, décor, transportation, photography, tenting, or audiovisual, a 10% service charge will be added to cover our administrative costs of managing these suppliers and we will invoice these costs in advance to the Client.

### **Room Set Up/Décor Installation:**

Unless otherwise discussed in our initial meeting, your quote includes the staffing required for the food and beverage portion of your wedding only. We have extensive experience coordinating weddings, galas, and social events so our team would be happy to oversee the installation of décor, flipping rooms, manning experiential stations, coat check, etc. We can even help you with details like packaging wedding favours or creating gift baskets for out-of-town guests. One of our experienced Event Planners would be pleased to discuss where we can support your special day.

### **Final Guest Count:**

The final guest count is required 21 days in advance of your wedding date. This includes all dietary requirements. Catering orders for other events related to the wedding, i.e. rehearsal dinner, out-of-town brunch, etc., require the final guest count be submitted 7 calendar days in advance.

After these cutoffs, we will do our best to accommodate increases, but we are not able to accommodate decreases. Please note that external vendors that provide glass and table ware, furniture, and other décor rentals may not be able to accommodate changes without a longer lead time. For seated events with multiple tables, the final guest list with table and seat assignments is required 3 business days in advance and is preferred in an Excel spreadsheet that includes the guest's dietary needs.

### **Allergies & Dietary Restrictions:**

We can accommodate most allergies and dietary restrictions, but we are NOT a nut or gluten free facility. We will do our best to avoid cross contamination but assume no liability for adverse reactions to products produced in our facility. We also assume no liability for adverse reactions to food cooked or plated in facilities for which you have contracted us to provide catering. Special meals or substituted ingredients may incur additional menu and/or labour costs.

\*There has been a substantial increase in special meal requests for guests with food allergies and special diets. To protect you and your guests, please find out if the request is an allergy and its severity, or just a diet preference.

### **Tastings:**

A menu tasting for the wedding couple is \$200 and is available Monday-Thursday only. Additional guests can be added at \$100 each, to a maximum of 8 people. Tastings can be done in your home or at our Commissary Kitchen.

### **Taxes & Gratuities:**

There is an 18% service charge on the food and beverage portion of the invoice. For events where the client is providing the alcohol, there is an additional \$100 service charge for every bartender scheduled, or Lead Server for small events. The entire invoice, including gratuity & service charges, are subject to 5% GST. Liquor is subject to 10% PST.

### **Payment Policies:**

To secure our services for the date of your wedding we require a non-refundable deposit of 25% of the food, beverage, and labour estimate, along with the signed contract and credit card authorization form. Your event is not considered confirmed until this is received. (The content of the seasonal menu can be determined closer to the date the invitations are going out but a menu base price of \$75.00 per person will be used for the purposes of calculating the deposit in that case.) We only book one wedding per day so that you are our only focus.

A final deposit of 75% of the food, beverage, labour, and primary F&B rental estimate and 100% of external vendor quotes is due no less than 21 days prior to the event date. Additional monies owing due to contract additions, including from outside vendors contracted on your behalf, are payable the day prior to your event unless otherwise specified and arranged with your event planner.

Following completion of your event, actual labour and rental charges will be tallied along with beverage consumption, if applicable, in order to produce the final invoice. The balance is due upon receipt and will be charged to the credit card on file. We accept Visa, MasterCard, and American Express. For any credit card purchase over \$5,000 a 2% processing fee will be charged on the entire invoice total. Otherwise, the balance is due within 3 business days of receipt of the final invoice if paying by e-transfer, cheque, or wire transfer, with express approval from our accounting department in advance of your event. A signed credit card authorization form must be on file regardless of your chosen payment option. Should there be an overage, monies will be refunded to you within 30 days of the event and Bon Vivant Catering & Events reserves the right to determine the payment method for that.

**Cancellations:**

The initial 25% deposit is nonrefundable. In the event of a cancellation by the Client, the following additional penalties apply and are subject to applicable taxes:

For cancellations occurring 15-30 days prior to the event date: 10% of the total estimated event cost, excluding taxes, plus any penalties charged by external vendors.

For cancellations occurring 8-14 days prior to the event date: 25% of the total estimated event cost, excluding taxes, plus any penalties charged by external vendors.

For cancellations occurring 4-7 days prior to the event date: 50% of the total estimated event cost, excluding taxes, plus any penalties charged by external vendors.

For cancellations occurring in the 72 hours prior to the event date, all deposits and payments on the account for catering and external vendors will be forfeited.

Cancellations must be sent in writing via email to the Event Coordinator. We reserve the right to determine the payment method for any refunded monies.

In the event of a cancellation by the caterer, all deposits will be refunded in full.

**Force Majeure:**

Bon Vivant Catering & Events will not be liable for failure to fulfill your catering order on the event date due to Acts of God, such as inclement weather, epidemics, pandemics, floods, fires, natural disasters, or other circumstances beyond our control. No refund will be made.

**Liability & Indemnification:**

You are responsible for safely transporting you and your guests to and from the chosen venue, and will indemnify and save us harmless if you fail to do the same.

You are entirely responsible for any damages to the location or venue in any way, except gross negligence by the caterer, and will supervise all event participants to ensure that they conduct themselves in an orderly manner.
